July 1, 2020

To All Interested Parties in the Tsunami Technical Advisory Group

The State Building Code Council (Council) is seeking members for the Tsunami Technical Advisory Groups (TAG). This TAG will address how the 2018 International Building Code addresses Tsunami and if warranted, propose changes to be considered by the Council through Washington Administrative Code rulemaking.

The Tsunami TAG will convene this summer and will conclude with a report to the Council's Building Fire and Plumbing Codes committee which in turn will make a recommendation to the full Council. The Tsunami TAG will set a meeting schedule once convened. Alternative means of participation not requiring travel are available using the internet and/or conference phone.

Please submit a letter or e-mail indicating the position or positions you are interested along with a brief resume. Applicants will be asked to confirm the support of a local or statewide organization, where possible. The deadline for application is July 15, 2020 but will remain open until filled. The Council is seeking subject area experts for the following nine positions:

Government Agency	County/City
Building Official	General Contractor
Structural Engineer	General Public
Tsunami Modeler	Flood Plane Manager
Emergency Management	

The state building code adoption process depends on involvement of the experts and professionals in the building industry. Please consider participating and contact Ray Shipman at ray.shipman@des.wa.gov.

Sincerely,

Todd Beyreuther

Tsunami TAG Chair, Washington State Building Code Council

WAC 51-04-020 Policies for the consideration of proposed statewide amendments.
